Phase 1 Prerequisites

Aug 2026

Back to Pico Wifi Analyzer Phase 1

Introduction

You must complete all four of the following sections. The good news is, when you have completed these four sections, you are 99% of the way through this project.

- Check Device I2C Address
- Using Pico with SSD1306 based LCD and I2C <color #ed1c24]]
- Connect Pico to Wifi
- Find Pico MAC Address

Once completed, go back to the Phase 1 page and finish the activities there.
