How-To's

How-To's are how to do certain things on the Raspberry Pi that might be a bit tricky. Here we have a selection of things you can do like setup web servers, change boot modes etc.

Any projects that require extra hardware will be listed in the Projects section.

- Raspberry Pi and SD Cards
- DokuWikiPi - Personal Wiki
- Fully Featured Web Based Photograph Gallery
- Raspberry Pi 3 Boot to USB
- Copy Larger SD Card to Smaller SD Card
